- Take I-25 SOUTH to exit 215 which is Rt 47 for Isleta and Los Lunas.

You are going to follow Rt 47 almost all the way to our house, going straight through all the traffic lights you encounter.

- You get to the first light at .8 miles. (Isleta Lakes Rd.)
- The 2nd light is in another .7 miles (the entrance to the Isleta Casino on your left.)
- The next light is in 2.4 miles (crossing over Rt 147, at the bottom of a curve and hill.)
- The next light is in another 3.1 miles (North Bosque Loop, a side road on the right.)
- The next light is in .5 miles, (Pine on left and Esperanza on right).
- The next light is in .8 miles (South Bosque Loop on the right.)
- Go straight through the blinking yellow light at the Peralta Fire Station.

THIS IS THE IMPORTANT PART

- In another .7 miles you'll come to the next light. Molina is on the left and the Peralta Elementary School on the left (just before this light).
- At the light, look on the far right for a company sign "Plumbing, Heating, Cooling". They seem to leave lit at night.
- GO straight through the light but IMMEDIATLY TURN RIGHT onto Chughole, past that company sign is the road you want - Turn RIGHT onto Chughole. It's a very small road and easy to miss.
- Travel on Chughole until the first STOP sign (1 mile).
- AT the STOP sign, turn LEFT onto Park Lane Circle. We're number 7 (white mailbox), the 3rd house on the left counting the corner house.
