

## Driving Directions -- From the SOUTH

**7 Park Lane Circle  
Peralta, NM 87042  
Home phone (505) 865-4648**

- Take I-25 NORTH to (EXIT # 203) Los Lunas Walmart exit  
(This is Route 6 East)
- Follow Rt 6 NORTH until it ends and turns into Rt 47 (North).  
This is at Alberton's, Staples, on right and Wallgreens on Left.
- Continue NORTH on Rt 47,  
You'll go straight through the light for Valencia Rd. which is on the right.  
At that same intersection is a Discount Liquor store and a steak house, I think  
it's now called "The Two Minute" or something.
- Continue for one mile past Valencia Rd., until you see signs for the Advanced  
Hypnosis and Carol's Canine businesses on left.

On the RIGHT you'll see a Milavec Real Estate building that they leave lit at night.  
At that building, in the center of the road, you'll see a painted left-turn lane.

- TURN LEFT onto CHUGHOLE - When you see Milavec Real Estate on the right. -  
This is CHUGHOLE Rd., but there's no sign at the  
moment.

**Note:** it's a tight turn, more than 90 degrees. And on the far side of Chughole (NW corner), you'll see a plumbing business called Plumbing, Heating, and Cooling.  
This sign is conveniently lit at night.

If you miss that turn, about 200 feet past the turn, you'll come to the light for Molina Rd. on the right. Also, the Peralta Elementary School borders Rt 47 and Molina (on the NE corner) on the far right. So if you pass this school, you missed the turn.

- On CHUGHOLE travel to the first stop sign (just under 1 mile).
- Turn LEFT onto Park Lane Circle.

We're number 7 (white mailbox), the 3rd house on the left counting the corner house.
